Have a safe and fun filled break.

**March's  
Key to Character  
is Tolerance**

Recognizing and respecting differences,  
values and beliefs of other people.

## From The Principals' Desk

Dear Parents and Guardians:

It is hard to believe that we are moving into spring time! We want to wish our 4<sup>th</sup> and 5<sup>th</sup> grade students “Good Luck” when taking the FSA Writing test on Tuesday, 3-6. Both the students and the teachers have been working tenaciously to prepare our students for those new assessments. During the months of April and May the FSA assessment will be administered to 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grade students in ELA, Math, and 5<sup>th</sup> grade-Science. It is important for the children to receive a good night’s rest and healthy breakfast on the morning of testing. The testing schedule was shared during the FSA Parent Night in February and also is posted on our school’s website.

We are also proud of our first class of National Honor Society inductees. These hardworking fourth and fifth grade students will be recognized on the evening of March 13<sup>th</sup>. This is a meaningful program that continues into middle school.

The K-4 grade “pre-registration” enrollment information for 2018-19 school year will be sent home on March 1st. These forms assist us in ensuring the appropriate number of teaching units and materials are allocated to the school. Completed Pre-Registration forms are due back to the school office by Wednesday, **March 21, 2018**.

This is also a friendly reminder that Spring Break begins during the week of March 26-30. We wish everyone a safe and relaxing holiday week.

We encourage your comments and feedback. Please do not hesitate to contact the school at 863.419-3430.

## Tolerance

If children live with tolerance, they learn patience when they actively accept what is happening rather than grudgingly “putting up with it.” When we accept the things we cannot change and decide to make the best of a bad situation rather than complaining, we may be surprised at the results. A positive attitude not only makes dealing with difficult situations more bearable, it can actually change the ultimate outcome.
